

EXPLORE ITALY

english with daryna

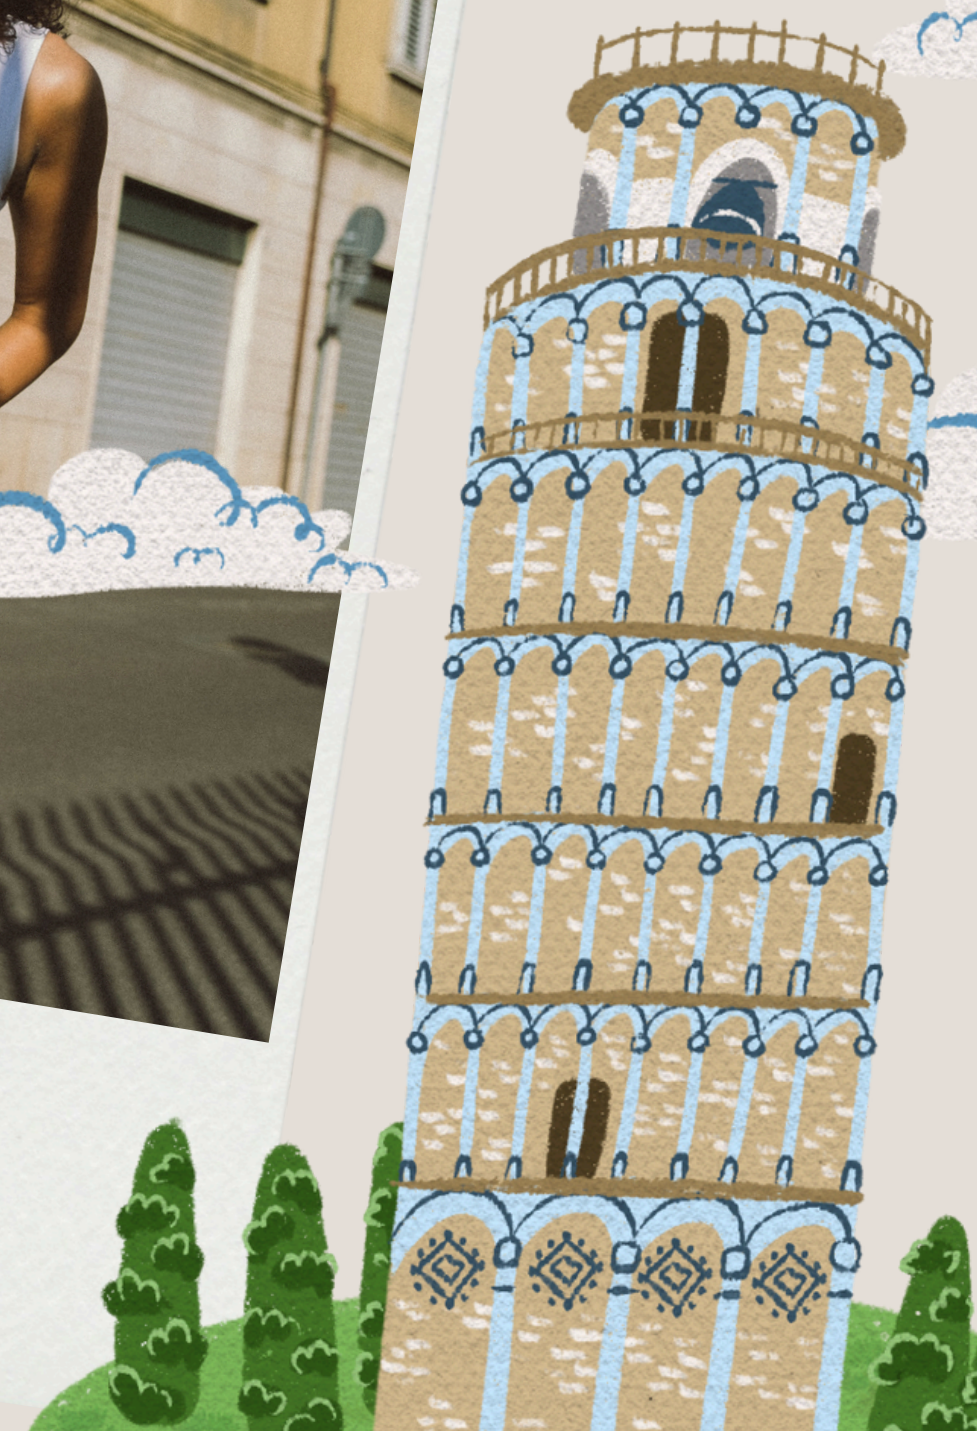

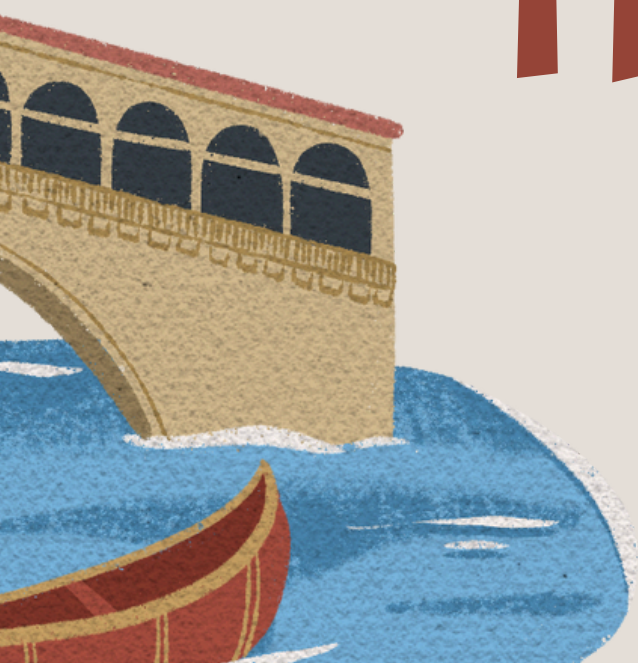

Pain itself is love, pain is great, and it is accompanied by labor and sorrow. To obtain the smallest pleasure, one must engage in hard work, unless some advantage comes from avoiding effort.

Біль сам по собі — це частина життя, він може бути великим і супроводжується працею та стражданнями.

Щоб отримати навіть найменше полегшення, потрібно докласти зусиль, якщо тільки не з'явиться вигода без зусиль.
